Arogya Sanjeevani Policy (Standard Health Policy, IRDAI)

Underwritten by: IRDAI Standard Health Product / Universal Inter-Insurer Form | **Policy Form Code:** AROGYA-SANJEEVANI-STD | **UIN:** IRDAI/HLT/AROGYA-SANJEEVANI-STD/2025

Section 3: Coverage & Eligible In-Patient Hospitalization Expenses

Clause 3.1: Room, Boarding and Nursing Expenses

Room, Boarding and Nursing Expenses incurred during hospitalization: Up to 2% of Sum Insured subject to a maximum of ■5,000/- per day. For normal or shared ward, up to ■3,000/- per day. Any excess over the eligible room category shall result in proportional deduction across associated medical expenses.

Clause 3.2: Intensive Care Unit (ICU) / ICCU Expenses

Intensive Care Unit (ICU) / Intensive Cardiac Care Unit (ICCU) expenses: Up to 5% of Sum Insured subject to a maximum of ■10,000/- per day during stay in ICU.

Clause 3.3: Pre-Hospitalization Medical Expenses

Medical expenses incurred for a period of 30 days prior to the date of hospitalization are covered, provided that such expenses are directly related to the condition for which hospitalization occurred.

Clause 3.4: Post-Hospitalization Medical Expenses

Medical expenses incurred for a period of 60 days following discharge from hospital are covered, provided that such expenses are directly related to the condition for which hospitalization occurred.

Section 4: Waiting Periods & Specific Ailment Exclusions

Clause 4.1: Initial Waiting Period (30 Days)

Expenses related to the treatment of any illness within 30 days from the first policy commencement date shall be excluded except claims arising from an accidental injury.

Clause 4.2: Specific Illness Waiting Period (24 Months)

A waiting period of 24 months shall apply for treatments of Benign ENT disorders, Cholecystectomy, Calculus diseases of Gallbladder and Urogenital tract, Hernia, Hydrocele, Piles, Fistula, and Cataract.

Section 5: Co-Payment & Inadmissible Deductions

Clause 5.1: Mandatory Co-Pay

A fixed co-pay of 5% is applicable on each and every admissible claim amount under this standard health insurance policy.

Section 6: Specific Treatment Sub-Limits

Clause 6.1: Cataract Surgical Expense Sub-Limit

Cataract treatment is subject to a sub-limit of 25% of Sum Insured or ■40,000/- per eye, whichever is lower, during one policy period.

Clause 6.2: Modern Treatment Methods and Advanced Surgeries

Modern treatments such as uterine artery embolization, balloon sinuplasty, and robotic surgeries are covered up to 50% of Sum Insured subject to a maximum of ■2,50,000/- per policy period.
